India’s Duty Free Tariff Preference (DFTP) Scheme for Least Developed Countries (LDCs)

One of the elements of the Hong-Kong Ministerial Declaration of December 2005 was to extend Duty Free Quota Free (DFQF) access to the exports of Least Developed Countries (LDCs).

DFTP scheme of 2008

India became the first developing country to extend this facility to Least Developed Countries (LDCs). India announced the Duty Free Tariff Preference (DFTP) Scheme for LDCs in the year 2008. The Scheme was announced to give support to the LDCs in their trade initiatives. Under the Scheme, by 2012, 85% of India’s total tariff lines were made duty free, 9% tariff lines enjoying a Margin of Preference (MOP) ranging from 10% to 100% and only 6% of total tariff lines retained in the Exclusion List with no duty preferences, for the exports from LDCs.

Country Coverage

At present, 31 LDCs have become beneficiaries to the scheme. These countries include the following:

To become a beneficiary under the DFTP Scheme, the prospective beneficiary country is required to provide a letter of intent as well as specimen seals and signatures of the officials authorised to issue the certificate of origin under the DFTP Scheme. The prescribed format of the letter of intent and specimen seals and signatures of the authorised officials, as required under the Scheme have been placed at Annex I and Annex II respectively.

**Expansion and simplification of the scheme**

To fully meet the obligations under the Hong Kong Ministerial Mandate of 2005, the DFTP Scheme has been expanded by the Department of Commerce. Effective from 1st April, 2014 (*vide Customs Notification No. 8/2014 dated 1st of April, 2014*), the DFTP scheme now provides duty free/preferential market access on about 98.2% of India’s tariff lines (at HS 6 digit level of classification). Only 1.8% of the tariff lines have been retained in the Exclusion List, with no duty concessions. As per the notification, only 97 lines are under exclusion list and 114 lines are under MOP list. Rest of the lines are under duty free list.

Apart from the expansion in the product coverage of the Scheme, procedural matters related to the Rules of Origin provisions of the DFTP Scheme have also been simplified *vide notification no. 29/2015-Cus(NT), dated 10th March, 2015*. The following important changes have been made:

(i) Change in the origin criteria to CTH+30% instead of the earlier criteria of CTH+30%;

(ii) Allowing the option for calculation of value addition based on ex-works price of the goods also instead of FOB value only in the earlier Scheme;

(iii) Allowing the CoO in A4 size paper of white colour in the prescribed format, instead of the earlier requirement of blue coloured CoO under DFTP scheme.

In short, the new expanded and simplified DFTP Scheme provides improved market access to the beneficiary countries as well as to the other eligible LDCs.
